fitted with vereal fitters to enable shaping and panelling. The entire body frame should be bolted and welded wherever necessary and painted with anti-corrossive paint.

Flooring.—Teakwood planks of 1" thick to be screwed down to the cross bearer fotters and covered with bitumanastic felt to make it dust proof.

Panelling.—Exterior panelling is to be of 20 O.M.S. sheet mailed to the timber fillets and with suitable mouldings at the joints.

Roofing.—The centre of the roof will be of teakwood plank ½" or 5/8" thick. There shall be bitumanastic treated felt over the timber ceiling and covered with G. I. Sheets to make the top leak proof.

Drivers compartment.—This is to be built integral with the body. A composite partition to be provided to the full height with a window in the centre of the partition. The window should have glass shutters that could be operated. The Drivers compartment is to be provided with interior panelling of hard board and M. S. Sheets.

Doors.—Full doors on either side of the drivers cab are to have windows having triplex glass shutters operated by winding regulators and fixed on stout iron hinges at the front with slam locks and chromium plated door handles. Rubber buffer guide to be provided to prevent rattling. Two rear doors with fixed expanded metal windows, slam lock and chromium plated door handles shall be provided.

Lights.—There shall be two roof lamps in the body.

Windows.—There shall be 6 windows, 3 on either side of the body with expanded metal shutters sufficiently reinforced for rigidity. Rain shield and water channel shall be provided over the windows, similar windows shall be provided to rear doors.

Side Curtains.—Water proof roll up Khaki canavas curtains shall be provided for all the windows with necessary leather stramps and turn buttons.

Fittings.—1. Four longitudinal foldable wooden benches in the rear compartment that is one on each side and two in the middle with a common lean.

2. One folding step at the rear.

3. One R.V. Mirror.

4. Petrol tank to be suitably covered and a locker provided.

2. One long foldable seat with cushion in the drivers cab.

Painting.—All steel work are to have a coat of anti-corrosive paint. The vehicle should be painted with primer puttyed up and filtered and given two coats of Dark Green or Dark Blue Dulex paint. The interior should be painted with white or cream colour.

Lettering.—The letters "Government of Mysore, Beggar Relfef Department" have to be painted on the head of the vehicle above the front glass and also on sides.

N.B.—1. The body shall be built as per the plan available in the Office of the Secretary, Stores Purchase Committee, Bangalore, which is open for inspection on any working day before closing date.

2. The approved firms must be prepared to make any alterations or improvements that the department may suggest while the work is in progress.

Note.—1. Each Tender should be accompained by a chellan for having deposited an earnest money of Rs. 200 which should be credited to the personal deposit account of the Secretary, Stores Purchase Committee, payable into the Bangalore District Treasury without which the tender will not be considered.

2. The prices should be firm.

3. Belated quotations will not be accepted.

4. The successful tenderer will be required to pay a security deposit of 5 per cent of the value of the order and furnish a stamped agreement as a guarantee for the proper performance of the contract. Cheques and Bank Drafts will not be accepted for earnest money.

5. The Stores Purchase Committee reserves the right either to accept or reject any tender without assigning any reasons therefor.

6. Firms owning Garage at Bangalore and who can execute the work at Bangalore will have preference if other conditions are satisfied.

2873(d)

Dated 10—11th July 1952.

To

Messrs. Lalvani's,
Post Box No. 49,
Silver Jubilee Park Road,
Bangalore 2.

Local Indent No. 11597.

Subj : Your quotation dated 1st July 1952 for supply of Dry-Type Stencils and Ink Tubes (Special Quality) for use on Rotary Duplicators during 1952-53.

Gentlemen,

No. S.P.C. 15467 With reference to your quotation dated 1st July 1952, I write to request you to be so good as to enter order for the material described in the undermentioned schedule at prices specified therein and arrange to make supplies on indents from such of the Departmental officers as may require the material and in such quantities as may be required by them from time to time, all indents being complied with within a *fortnight* from the date of receipt.

The contract will be deemed to be limited to the quantities to be actually drawn by the Departments.

This contract will be in force for a period of one year from this date and the material will have to be supplied throughout the said period at the price accepted herein, and no enhancement of the said price for whatsoever reasons can be granted.

Please note that the materials to be supplied should strictly conform to the samples submitted by you and accepted by us, and to the specifications given above, failing which, they will be rejected. All rejected supplies should be replaced by correct materials within a week from the date of rejection. Failure to make supplies in time and in accordance with the quality ordered, will entail cancellation of the contract and the purchases being made from other sources debiting the extra cost, if any, incurred by Government to you. In such an event, the Stores Purchase Committee also reserve the right to levy a penalty, as and by way of liquidated damages of 3 per cent of the value of the order.

You should now arrange to enter into an agreement with the undersigned on a Mysore Government stamp paper undertaking to abide by the conditions of this order within a week from this date, failing which, the order will be cancelled.

The bills of cost should be sent in duplicate to the Indenting Officers who will arrange payment.

Please acknowledge receipt of this communication. The above Indent Number should be quoted in all correspondence relating to this order.

SCHEDULE OF ORDER.
